

TELEX

AIRMAN 7

NEXT GENERATION ULTRA-LIGHTWEIGHT HEADSET

The new **AIRMAN 7** builds on the success of its predecessor's reputation - the AIRMAN 750, the world's best-selling headset among professional pilots, air fleet operators and aircraft manufacturers.

The AIRMAN 7 offers a range of innovative new features for **increased comfort, durability and ease-of-use:**

- Soft headband pad and lightweight design provides comfort, even on long flights
- Strong stainless steel headband with metal pivots improves durability for long headset life
- New yoke design provides three axis adjustments for ear cups and durability improvements
- Optional comfortable leatherette ear cushions and replaceable ear cup covers

The AIRMAN 7 meets the **highest commercial aviation standards:**

- Fully FAA TSO C-139a approved
- Fully compliant to ARINC standards
- Acoustic limiter protects against sudden increases in sound level
- Clear voice transmission with high-quality amplified electret microphone
- Three-year warranty

FOR MORE THAN 50 YEARS, TELEX AVIATION HEADSETS HAVE PROVIDED PILOTS WITH AN UNPARALLELED COMBINATION OF PERFORMANCE, RELIABILITY AND VALUE.

Our profound understanding of the aviation industry is essential to the usability and durability of our products. They are the perfect choice for business and commercial applications, offering comfortable, lightweight, low-profile design and excellent sound quality - enabling pilots to focus on flying.
